Notes to applicants

1. The Dangerous Goods Regulations course is open to all, participants must be able to read and write in English and have attained the age of 18.
2. Starting in January 2023, Dangerous Goods Regulations courses have changed from the categorization approach to a competency-based training and assessment approach (CBTA). All staff of freight forwarders will need to complete Dangerous Goods training that match their job function.
3. The Hong Kong Civil Aviation Department has defined the following roles for shipper/ freight forwarder staff performing different job functions (see below table):

Previous category	Classification based on job function (Hong Kong Civil Aviation Dept.)	IATA well-defined functions in the process of cargo
Cat. 4 Staff involved in processing air cargo not containing dangerous goods	Role b: Personnel of freight forwarders responsible for processing or accepting goods presented as general cargo 負責收運一般貨物之員工	7.2: Personnel Responsible for Processing or Accepting Goods Presented as General Cargo
Cat. 5 Staff involved in handling, loading or storing air cargo	Role d: Personnel of freight forwarders responsible for handling cargo in a warehouse and loading and unloading unit load devices 負責在倉庫搬運貨物以及裝載和卸載集裝器之員工	7.4: Personnel Responsible for Handling Cargo in a Warehouse, Loading and Unloading Unit Load Devices and Loading and Unloading Aircraft Cargo Compartments

Staff of freight forwarders responsible for processing or accepting general cargo are classified as role b personnel. Staff of freight forwarders responsible for handling cargo in a warehouse and loading and unloading unit load devices are classified as role d personnel.

4. Course applicants should fill out the course enrolment form, giving company contact details, the full name(s) of the applicant(s), and the role(s).
5. Chem Freight Hong Kong Ltd. reserves the right to refuse to accept a participant as it deems appropriate.
6. The Dangerous Goods Regulations course offered is a combined programme suitable for both staff of freight forwarders responsible for processing or accepting general cargo (role b personnel) and those responsible for handling cargo in a warehouse and loading and unloading unit load devices (role d personnel).
7. The duration of the Dangerous Goods Regulations initial course is 3.5 hours.
8. Course participants must have attained an overall 80% in the test to achieve a passing grade and to be eligible for the award of a DG certificate. If a candidate is not able to pass the final exam, he or she will have the opportunity to re-sit for the exam.
9. The course fee must be settled before or on the first day of the DGR course.
10. Eligible applicants may apply for refund of 80% of the fees after completing approved courses (subject to a maximum of HKD30,000 whichever is less), under the Professional Training and Examination Refund Scheme (ProTERS) of the Maritime and Aviation Training Fund (MATF).
11. Course participants may switch to another class when the target class has seats available. A total of three switches is allowed.
12. If a course participant is not able to attend a class, a replacement candidate can take his or her place.
13. In the event of insufficient enrolment or other matters beyond our control, Chem Freight Hong Kong Ltd. reserves the right to cancel a class, we will inform course participants as soon as it is decided that the class will be cancelled. Course participants may switch to another class or receive a full refund of the course fee. We shall not be liable for extra expenses incurred by course participants.
